

Our Vision

A tree is known by its fruit, people by their actions.

Matthew 7:20

Our school is the tree.

Our children and adults are the fruits.

Our school ethos is driven by our core values of relationships, resilience and respect that all members of our community demonstrate in their daily lives.

Our policies are written with this vision in mind.

Our school is known for providing rich teaching through the delivery of a broad and balanced curriculum.

Our Values

The three Rs: Relationships, Resilience and Respect help our children to develop a deeper understanding of our Christian vision and values.

Our values gems are linked to three Christian stories;

Relationship Rubies: The Good Samaritan

Resilience Emeralds: Daniel in Exile

Respect Sapphires: The Creation Story.

The children identify these values in their personal approach to their schooling and celebrate them in the achievements of their friends.
