

Olympic Legacy Expenditure Review Strategy for the 2021-22 Academic year

The Olympic Legacy Sports Grant

Following the 2012 Olympics, schools across Britain are being provided with funding in order to improve the health and wellbeing of all pupils through Sport and exercise. At Crazies Hill Church of England Primary School, we are committed to promoting the wellbeing of our pupils by ensuring they understand the importance of healthy life choices. We actively promote physical activity through curriculum provision and curriculum enhancement opportunities. We provide a nurturing environment, including a specialist nurture assistant, in order to safeguard the mental and physical health of our children.

By using this funding strategically, our goal is to sustainably increase participation in Physical Education and Sports, whilst also ensuring positive attitudes towards physical health and wellbeing. We aim to:

- Provide the highest quality teaching of physical education across a broad range of sports
- Introduce alternative sporting activities both during and before/during/after school hours
- Increase opportunities for competitive sport for all pupils
- Provide a wide-range of curriculum enhancement opportunities which promote exercise and physical/mental health
- Ensure equal access to activities for all children/staff in our school

This will be achieved by:

- Developing partnerships with local sporting organisations that will promote overall health and achievement of pupils through sport and exercise.
- Providing a broad and inspiring Physical Education and Health curriculum
- Ensuring adequate sporting equipment and staff competence to deliver the highest quality teaching
- Utilising expertise in Physical education and Health when appropriate (advisors/coaches)
- Fund sporting opportunities for school pupils eligible for free school meals
- Provide high quality CPD for staff
- Participate in a variety of local sporting leagues

Olympic Legacy funding expected (Sept 2021- July 2022)- £16,880

Total number of pupils on roll	98
--------------------------------	----

The priorities for the 2021-22 academic year include:

- To re-establish the quality of extra-curricular sporting opportunities within the school
- To re-establish high quality sporting events and competitions post COVID-19
- Providing even more regular opportunities for inter-school competition (including a wider variety of sports)
- Increase number of 'School teams' in various sports to compete in leagues/local competitions
- Provide even more specialist coaching into the curriculum
- Increase the number of pupil wellbeing events and activities to promote healthy lifestyle choices and physical activity, including healthy pack lunches
- Providing the widest possibly variety of lunchtime/after school sports clubs and sports opportunities
- Improving the quality of teaching in PE (Professional development) in the uncommon sports taught
- Work with our Hub Schools to develop a bespoke sports partnership across the Trust
