

Crazies Hill Church of England Primary School English Reading Key Teaching Methods

- Using high quality whole class text linked to other areas in curriculum.
- Enables children to access texts beyond their independent ability.
- Supports children's fluency and expression .
- All children taught 6 key reading skills, explicitly modelled by teacher.
- Clear teaching structure which reinforces the modelled aspects of our writing pedagogy.

WHOLE CLASS READING

GUIDED READING

- Reinforces key learning from whole class teaching session.
- Alternate texts may be used from those in whole class session.
- Allows teacher to assess attainment and progress. This information feeds into planning for next whole class reading work.
- Can be differentiated according to need, be it reinforcement or challenge.

- Followed up by independent comprehension practice.
- Reading objectives in learning organisers/reading records also linked to whole class reading support parents in questioning.
- (This is in addition to reading for pleasure, paired reading, individual reading using the reading scheme, phonics)

INDEPENDENT PRACTICE
